### STUDENT TIPS

Students are one of the most important groups responsible for making the school climate safe and healthy. Students who follow school and classroom rules and encourage others to do so too, help make school a fun and pleasant place to be. Below are several tips students can use to demonstrate appropriate positive behavior at school.

- Learn and follow *Culture of Discipline: Guiding Principles for the School Community* and the *Culture of Discipline: Student Expectations*.
- Participate in safe activities and avoid danger.
- Be accepting of individual differences between people.
- Participate in school activities. Join clubs and sports teams at school and in your community.
- Communicate with your parents/caregivers. Let them know what is going on in your life. Introduce them to your friends and always tell them where you are going.
- Don't wait for the problem to get too big before you tell your parent or a trusted adult.
- Find a trusted adult who can mentor and support you in achieving your dreams.
- Get help when you need it. Ask questions when you don't understand.
- Treat others like you want them to treat you.
- Remember that you matter. Your ideas, thoughts and opinions are important and have value. Consider leadership opportunities.
- Get involved in your community. You can make a difference in someone's life.
- Show respect by using respectful language and actions.
- Report unsafe, unhealthy conditions and bullying to an administrator.
- Be honest. Telling the truth, keeping your word and not cheating are the best ways to show character, responsibility, and maturity. Be proud of what you achieve on your own. If it's your best, then it's the best!
