IET Cosmetology News

GREAT PRESENTATION AND GREAT TEAM WORK!

Mr. Saenz visited the IET Cosmetology class of Ms. Leon and Ms. Santiago and delivered a presentation on body systems on Tuesday, August 21st, 2018 at 9:00 am.

Ms. Leon worked with Mr. Saenz to connect what was being covered in her IET Cosmetology class (i.e., the body systems) with topics that would prepare them to take a test on General Anatomy and Physiology.

Ms. Leon worked with the students to prepare questions for Mr. Saenz after his presentation. Students asked very interesting questions to Mr. Saenz, who was impressed by the level of inquiry from them.

More Superintendent Coverage

Thanks to Ms. Erica Rosario, our Division Graphic Designer for designing and printing our welcome to East LA Skills Center banner for Superintendent Beutner's visit. Ms. Rosario is truly an artist. From all of us at ELASC, thanks!!

Board of Education President, Monica Garcia, Principal Andrea Rodriguez, Board of Education Vice President, Nick Melvoin, DACE Executive Director Joseph Starks, along with other distinguished visitors acknowledged the work of the Powerline students.

Superintendent Beutner as he enters the Skills Center accompanied by Briana Calvillo, the only current female powerline student.

Superintendent Beutner meets Mr. Estrada and a few of the powerline students.

Superintendent Beutner shook hands with all students present, including Obadiah Bonilla. They are all looking forward to working in the industry as soon as they graduate.

We were pleasantly surprised to hear Superintendent Beutner knew of the Powerline industry and worked for DWP. Standing next to him are former student Mr. Ramon Calvillo and instructor Mr. Robert Estrada.

Board president Garcia congratulates Briana Calvillo for her participation in the program.

Superintendent Beutner shakes hands with Principal Rodriguez while receiving a DACE gift bag that includes a WE ARE DACE t-shirt at the end of his ELASC visit.
