COURSE DESCRIPTIONS:

Integrated English and Training (IET) – IET classes are available to students in ESL 3-6 levels. These classes are project-based. They introduce ESL students to Cosmetology, Health and Photovoltaic/Solar training to accelerate the students' career goals.

Vocational English as a Second Language (VESL) – This is a work place English conversation and pronunciation class. VESL competency areas include on-the-job language common to many workplace settings for getting, keeping and succeeding on a job.

English as a Second Language/Family Success Initiative (ESL/FSI) – This is an English class geared towards building language skills through exploration of topics that are relevant to LAUSD parents. Some of the modules include Digital Literacy, Family Health and Wellness and Employability Skills and U.S. Workplace culture.

Soft Skills for Personal Success – This is an English conversation and pronunciation course where students learn job skills and keeping and succeeding in a job.
