Student Success Story

My name is Blanca Pulido and I would like to extend my gratitude to East Los Angeles Skills Center. I consider myself a success, thanks to the support and guidance of my teachers and the support staff. I obtained my High School diploma in 2016. Later I enrolled and completed Mr. Gonzalez's Medical Assistant class in 2017 and got my Medical Assistant Certification that year. In 2019, I registered for the Certified Nursing Assistant class with Mrs. Margie Quintanar and got my CNA licensing. I was recently hired to work as a Patient Care Technician at USC Keck Hospital and have more opportunities and a brighter future. I plan to keep advancing within the medical field. If the Skills Center establishes a LVN program in the future, I will be there to apply. I want to thank Mr. Victor Estrada who was an excellent teacher in the II Lab. His advice kept me on track as I worked toward obtaining my H.S. Diploma. Mr. Gonzalez and Ms. Quintanar made a positive impact in my life. I can say that the teachers and staff truly care about our success. And, I would like to extend special thanks to Mrs. Alison Bacon for keeping us focused and on track. Thank you, East LA Skills Center for your help when I needed it.

Eastside Student Council News

Eastside held its first Student Council Meeting on Thursday, September 5th, 2019 with a total of 16 representatives attending. Jessica Padilla was elected student council president. Artemio Reyes and Maria Regalado were elected vice presidents. The student council members become leaders and help improve the school, organize and assist during special events and graduations, relate issues discussed during council meetings to their classmates, and bring these issues to the attention of school administration. Kudos to Ms. Singer and Ms. Ochoa for organizing, coordinating, and assisting the group during meetings and special events.

The Skills Center will hold their first meeting soon. More information is forthcoming.

Our Mission

The East Los Angeles Skills Center in collaboration with community—based organizations and stakeholders will provide access to educational programs and services to students to achieve their personal and or career goals through language acquisition, academic and career pathways.

Our School-wide Learning Outcomes

The East Los Angeles Skills Center offers opportunities for all students to:

- Have access to an educational plan and course of study to increase employability
- Obtain technical skills for entry and advanced employment
- Acquire language and academic skills for advanced educational options and careers

Our Vision

To be a dynamic educational and job training institution to empower students to be college prepared and career ready.
